## ARCHEOLOGICAL IMPACTS

The sites below were identified by Bear Creek Archeology, Inc. in their MAY 2015 Phase I Archeological Survey report (May 2015). A brief summary of the sites identified can be found to the right. Of the sites identified, all had no further action recommended except one, site 13DM1322. As a result this site and a 50' buffer will be excluded from the developable acreage of the L Yard site.

Information regarding the location, character, or ownership of historic resources withheld pursuant to National Historic Preservation Act, Section 304, and Advisory Council on Historic Preservation regulations at 10 CFR 800.11(c).
